

FBC LEWISVILLE NEWSLETTER

FROM THE PASTOR'S DESK

We call ourselves people of the Book—the Bible. It is our guide—the very word of God. Our words sound good, but are we not just a little disingenuous when we make such a claim? When was the last time you read the book of Jude? Or what is your favorite verse in 3 John (not John chapter 3 but the book of 3 John)? The word of God exists in every one of the 66 books in the Bible. Yet, we ignore some of his words.

Over the next several weeks, leading up to Easter, we are going to focus on what I call the “Small Giants—Little Books with a Big Message.” They may not be as familiar or popular as other books of the Bible, but they carry just as much authority as the others.

2 Timothy, Titus, Philemon, 2 Peter, 2 John, 3 John, and Jude may be small in comparison to other books, but they deserve our full attention. Don't let their brevity cause you to miss the very words of life we all need to hear and follow.

Your Pastor,

Stephen G. Hatfield
Senior Pastor
